

The Sturdy Society

The Sturdy Society was created in 2013 to commemorate Sturdy Memorial Hospital during its 100th Anniversary and to recognize the generosity of its staff, community members, and its philanthropic partners. Sturdy Memorial is dedicated to clinical excellence, exceptional service, and sound financial management. The Sturdy Society contributions strengthen the already successful formula of delivering top-notch health care while being fiscally responsible through diligent management and oversight, to benefit its patients and community. Become a member of The Sturdy Society today and invest in Sturdy Memorial's future.
